Students Trip to Panama - California Exposition, Expenses Paid. Chap- eroned by Teachers

John D. Rockefeller has just offered \$100,000 to a well known Eastern woman's college providing the students and alumni raise a like amount. The San Francisco company, which we are representing east of the Rockies, supplied a plan whereby these women are speedily raising the desired amount.

Another plan has now been made to give the students and teachers in this and other large cities an opportunity to visit the 1915 Exposition at San Diego and San Francisco in specially conducted parties, all expenses paid. Would you like to join?

Special Trains Leave New York

Chicago, Minneapolis, St. Louis and Other Cities

Parties will be composed of teachers, students, superintendents, professors and their families. Many students and teachers are now cooperating with this movement and we take this opportunity of announcing it in this State.

This is not a voting contest but a straight forward business proposition. For particulars address

"Dr. Andrew B. Spinney of Detroit of 55 years in practice of medicine in this state, 40 years devoted to chronic cases called 'hopeless'—cases, only. Will be at Wright House, Tuesday, May 12, from 4 p. m. to 9 p. m., Exchange Hotel, St. Louis, Wednesday, May 19, from 5 a. m. to 4 p. m., and Seaver House, Ithaca, Monday, May 24, from 7-11 a. m., CONSULTATION FREE."

Sick People should Investigate

I KNOW diseases of both sexes like an open book. Have had 35 years' experience in this State in the practice of medicine and changed hundreds upon hundreds of nervous wrecks into fine, strong men and women. I accept no case I cannot help or cure. I especially invite all the discouraged, dissatisfied ones to write me about their case or case and see me; it will cost you nothing to get my truthful, honest opinion of your case, as I hold out no make any false promises. I have spent my whole life in the study and cure of chronic diseases, and my study and investigations have been blessed by many new methods of treating diseases. In 1859, I graduated from the Western Homeopathic Medical College, at Cleveland, Ohio, for two years had charge of the Alma Sanitarium, at Alma, Mich., and since that time have had Sanitariums of my own and have one now.

I treat with great success Bright's Disease and Diabetes with a special Lymph and medicated Milk Diet.

I treat Nervous Troubles—erecting away of the body, loss of vitality, whether from excess or overwork.
I treat Epilepsy, St. Vitus' Dance, Paralysis, etc.—by striking directly at the cause trying to restore the diseased nerves to perfect health.
I treat Locomotor Ataxia—by special treatment, a lymph compound—injected into the blood, with massage and exercises.
I treat Rheumatism—with baths, Hot Air and Lymph Injections.
I treat Piles—and have cured them in from ten to twenty days, never by surgery.
I treat Diabetes and Bright's Disease.
